

2nd June 2019

Dear Competitor,

Please find enclosed an Entry Form and Supplementary Regulations for the QRDA Warwick 1000, incorporating Round 3 of the 2019 Queensland Circuit Racing Championships at Morgan Park Raceway, promoted by the Queensland Racing Drivers Association. **The event will be run on the 2.967km (Circuit "K").**

Featuring 1000 Kilometres of Qualifying and Racing across the two days, the Warwick 1000 is a new initiative of the QRDA. We believe that what we all do at CAMS State Championship level is pretty special. We have a great bunch of competitors and officials that provide some terrific motorsport action and we believe this should be celebrated as "not just another State Round"! Our aim is to provide the best bang for buck for not only you as competitors, but the officials and spectators with large fields incorporating combined categories where possible to get more cars on track with the potential for more starts and more action!

We look forward to your participation on the **September 27<sup>th</sup> - 29th Weekend!**

Entry Fee is set at \$390.00 for all categories except 3E Production Touring Cars and 3J Improved Production who have requested slightly more track time. **Entry Fees are \$390.00 (incl. GST) per entry except for 3E Production Touring Car entrants where entry fee is \$490.00 (incl. GST) and 3J Improved Production Car entrants where the entry fee is \$440.00 (inc GST).** Entry includes four (4) Admission Passes valid for both days of competition.

Those competitors that get their entries in prior to September 13<sup>th</sup> 2019 (10pm) also go into the draw for one lucky entrant to receive a refund of entry! If you are the lucky winner and are also a QRDA Member, you are eligible for a full refund. A non QRDA Member drawn out of the hat is eligible for a half refund. So get those entries in early for a chance to win!

Please note our policy on entry fee refunds detailed in the Supplementary Regulations for the event.

As an added bonus, both QRDA and Warwick District Car Club members receive FREE ADMISSION to the venue, so show your membership card at the gate and free up one of your four allocated entry passes.

**One of the nuances of the CAMS Online Entry system unfortunately allows competitors to submit an entry “application” without payment. Please note, entries received without the correct Entry Fee will NOT be included in the acceptance process. THIS WILL BE STRICTLY ENFORCED. Competitors will only receive an emailed confirmation of entry once the entry fee is paid.**

Paper or emailed copies of entry forms are available; please contact us on the details below if you require a copy.

Please note, there are approximately eighty car ports available at Morgan Park. Car ports will only be allocated to competitors that have had their entry accepted. Any queries relating to car ports can be directed to Brett Batterby on 0403 334488 (email – [brettbatterby@bigpond.com](mailto:brettbatterby@bigpond.com)). Due to the limited number of car ports available, competitors are encouraged to get your entries in early!

Take note, Targeted Scrutiny is compulsory. If your vehicle requires a Targeted Audit and you have been unable to arrange a have your vehicle audited outside of a Race Meeting, please contact me to schedule a time for an audit at Morgan Park Raceway during the race meeting weekend.

The QRDA Warwick 1000 has engaged the services of experienced motorsport commentator David Paterson for our event. “Patto” is full of useful and informative information, but we encourage you to complete the attached Driver Profile form so we can pass onto him to help sell you and your team across the airwaves! Each category is also strongly encouraged to provide a guest commentator to share the booth whilst their category events are on. We welcome more category specific knowledge as whilst Patto is a legend, he doesn’t know you all!

One key date to lock into your calendars for 2019 is December 14<sup>th</sup> for the Annual Motorsport XMAS Party hosted by the QRDA, Improved Production Association of QLD and Saloon Cars Queensland. The event is to be held at Kedron Wavell Services Club and is always a great celebration of the season that was! A highlight of the event is the fundraising activities for the Children’s Hospital Foundation, a very worthwhile cause close to many of our hearts. Tickets can be purchased through the CAMS Online Event Entry System when entering our Race Meeting.

Once again, we look forward to receiving your entry to our Race Meeting. Remember, it is you the competitor that makes CAMS State Championship Motorsport the spectacle that it is, without your support and the support of our hard working volunteer officials, our sport just wouldn’t be the same.

Yours Sincerely,
